Sub:Sub-division work done by Karnams - Payment of moiety - time barred cases- Government sanction - Requested.
Ref:1. B.P.No.6803 dated 21-11-51.
2. Puttur Tahsildar'sD.Dis.10636/50 dated 29-8-51.

I enclose the claims preferred by the Karnam of Mudnur village of Puttur taluk for payment of moiety to him for sub-division work done by him in several cases.

Owing to the delay in the checkmeasurement of subdivisions the moiety could not be paid before it was time barred.

I therefore request that the Government may be moved to accord sanction for the refund of the moiety of Rs.42-8-0 due to this Karnam.

Copy of C.No.28357/51-L(3) dated 13-12-51 of the Collector of Mangalore, to the Secretary, Board of Revenue, Madras.

In enclosing proposals for the investigation of the arrear claims by the Accountant General in the form prescribed in B.P. Misc.61(s) dated 20-1-1943 I request that early orders sanctioning the payment of moiety to the concerned Karnam may be passed.

1. Period to which the arrear claim relates:-
The claim relates to the period from 12-3-47 to 17-5-49.

2. Period for which it should be investigated:-
The claims to be investigated relates to the entire period.

3. The amount involved in the claim:-
Amount involved in the claim is Rs.42-8-0 only.

4. Reasons for delay in prefering the claim:-
As this is a case of payment of moiety claims need not be preferred by the party in the first instance. The taluk office should make payment in the usual course.

5. The grounds aduced for the condonation of the delay.
The Karnam has now put in a claim for the payment of moiety and also on the strength of the instructions contained in Board's proceedings No.Ref.6803/21-11-47

6. Whether the applicant was responsible for the delay and if so what his explanation is. It should also be stated. Whether he claimed or made any representations regarding the payments of increments due to him when they accured.

The applicant was not responsible for the delay. As moiety is to be paid by the Tahsildars without the application of the party the party is not bound to present his claims and as such the party is not at fault.

7. Period and amount for which the Collector recommends the payments of the arrears.

Entire period.

As it is no fault of the party due to which the arrears remain unpaid and due to the fact that subdivision records take a very long time for being sanctioned in this district particularly and also owing to inexperienced clerks handling the subjects in the taluk office the Karnam cannot be made to lose his legitimate share.

In the circumstances, I recommend payment of the full amount now claimed.
